My name is mentioned in the comments.

The St. Clair County Sheriff's Department is now staking out O's paternal grandparent's house and pulling over people leaving there and inquiring as to O's father's whereabouts.

A deputy just pulled O's paternal aunt and uncle over with their one year old daughter while they were enroute to the ER for an issue with the baby.

The deputy said he was looking for Kevin.

Really, I could give them the address of at least 15 people with active warrants for offenses that actually hurt other people. They know the people are there and won't bother to pick them up. But, a facebook post that may embarrass or irritate a judge garners a warrant and actual arrest. Interesting!

As you can read, it seems as if O's maternal family is actively trying to protect the twice convicted violent sexual predator while simultaneously allowing him ongoing access to O.

O's maternal aunt has also been putting in great efforts to help the twice convicted violent sexual predator attempt to have O's father thrown in jail again due to alleged "violations" of the frivolous PPO the twice convicted violent sexual predator has against O's father.

Child abuse is ok.

So is giving twice convicted violent sexual predators ongoing access to kids.

And then lying about the interactions is also ok.

Perjury is ok.

As is interfering in investigations.

Violating Constitutional Rights is not a problem.

Neither is police harassment.

But exposing all of the things above is apparently a VERY BIG PROBLEM.

Punishable by jail.

Go figure.

This all seems like just a game to her. We are looking forward to addressing this nonsense in court.

Please correct me if I am understanding this wrong....

Isn't Tina the one that filed a PPO on O [REDACTED]'s Dad? If so, why is she messaging him? Wouldn't that go against her OWN ppo?

Unfortunately in judge Lanes eyes the person who has the ppo can't violate their own. I play a ppo game with a crazy person in judge lanes court room aswell. It's such a joke. I hope things go well with this. It's insane the game people play with these PPO's & the judges that allow it!

Erm, if you have a PPO out on somebody you're not supposed to contact them neither so she should be sitting in jail right now

I have never contacted Kwin after I filed the PPO.

So basically taxpayers are picking up the tab for the time and paperwork involved in filing a PPO, with no cost up front for the filer.

**Kathy Swainson** PPO's are a money grab in St.Clair County for the court and the lawyers. The court employees and clerks even joke about it

I'd rather my money go for a donut than a bunch of frivolous bs in court. By the way have they found out who shot that young man on Keewahdin Rd. yet?

Dear God.....I will pray that nothing horrible happens to someone who filed for a ppo because of a true threat and was denied while St Clair County is busy granting, holding hearings and issuing bench warrants on shit like this.....you people are a disgrace to our justice system....and the people filing them are just a disgrace period.....disgusting

I'm confused by this....you can argue with people on facebook, and then when you don't like what is being said you can be granted a PPO? What a waste of time!
